

7. The advertisement also included irrelevant and extraneous matters that were not required for advertising by the Decree.
8. No quotation of charges was provided by the media concerned or by the Registrar to advise the party of the cost involved, prior to the advertisement, despite the Registrar's assurances in this regard.
9. The party believes that no tenders were sought from other media organizations and that the Registrar's arrangement with the Fiji Sun was exclusionary and having the effect of preventing competition
10. The effect of the arrangement by the Registrar with the Fiji Sun is in breach of the Fair Trading Decree
11. The charge levied on my party is excessive, harsh and unconscionable and my party is facing difficulties in meeting this demand.

By covering letter to the Commerce Commission we are lodging our complaint to the Commission for it to take necessary action. In the meantime we await your reply and the decision of the Commerce Commission before any payment is made to you.

Yours faithfully,
